15.05 – 15.30	Discussion
15.30 – 16.00	Coffee break

16.00 – 17.00

I. Panel Discussion – Theme: Financing climate action

Panelists:

Anthony Cox, OECD, Katarína Forgáčová, Ministry of Finance of the Slovak Republic, Matej Ovčiarka, Ministry of Environment of the Slovak Republic, Elena Višňar Malinovská, European Commission, Pavel Zámyslický, Ministry of Environment of the Czech Republic

Moderator:

Pavol Szalai, EURACTIV

17.00 – 18.00

Poster section

18.00 – 20.00

Social dinner

15 November 2019

EXPECTED TRENDS, FORECASTS AND SCENARIOS IN THE FIELD OF CLIMATE CHANGE AND RELATED COHERENCES – GLOBAL, EUROPEAN AND LOCAL VIEW

08.30 – 09.00

Registration of participants

09.00 – 10.45

Trends, forecasts and possible scenarios of climate change impacts – international and national context

09.00 – 09.15

OECD approaches to climate change forecasting and scenario development

OECD

09.15 – 09.30

Modeling analysis for the EU's vision for a Long Term Strategy

Antonio Soria, JRC

09.30 – 09.45

Environmental scenarios 2020+ in the Slovak Republic

Radoslav Považan, Slovak Environment Agency, Richard Filčák, Institute for Forecasting, Centre of Social and Psychological Sciences, Slovak Academy of Sciences

09.45 – 10.00

Climate change projections in Central Europe according to representative concentration pathways (RCP) scenarios

Petr Skalák, Czech Academy of Sciences – CzechGlobe

10.00 – 10.15

Weak signals in the area of climate change – geoengineering

Miroslav Havránek, CENIA, Czech Environmental Information Agency

10.15 – 10.30

Explore opportunities for sustained usage of foresight methods supporting of Climate Change Adaptation and Disaster Risk Reduction policy and practice

Markus Leitner, Environment Agency, Austria

10.30 – 10.45

Discussion

10.45 – 11.15

Coffee break

11.15 – 12.30

II. Panel Discussion – Topic: Approaches to trend assessment, forecasting and scenario development as part of strategic procedures and solutions

Panelists:

Anthony Cox, OECD, Ed Dammers, PBL Netherlands Environmental Agency, Richard Filčák, Institute for Forecasting, Centre of Social and Psychological Sciences, Slovak Academy of Sciences, Miroslav Havránek, CENIA, Czech Environmental Information Agency, Ana Jakil-Holzer, Federal Chancellery Republic of Austria

Moderator:

Milan Chrenko, Ministry of Environment of the Slovak Republic

12.30 – 13.00

Conclusions and closure of the conference

13.00 – 14.00

Lunch

*The activity has been implemented within the framework of national project
Information and providing advice on improving the quality of environment in Slovakia.
The project is cofinanced by Cohesion Fund of the EU under Operational programme Quality of Environment.*
